EDUCATION

De Anza College - Cupertino - *Transfer Goals*

September 2020 - Present

Took a lot of my GE courses and many extra classes in areas I am interested in. Worked to transfer to SJSU for industrial engineering. I am currently still enrolled as a student as I am completing one course there.

San Jose State University - San Jose

August 2023 - Present

Aiming to complete my Bachelors degree in MIS. Got accepted in 2023, completed a course for Industrial engineering when I decided I am more interested in MIS. Currently working on switching majors as a full time student.
