

Adamaris Cruz Esquivel

380 Springpark Cir
San Jose, CA 95136
M: 408-931-3409
E: adamaris.cruz.e@gmail.com

Summary

I am a third-year at San Jose State currently looking for a mentor or internship. I work great with others and by myself as well. I helped develop my former High Schools Volleyball team and was part of the recruitment interns throughout my High School experience.

Education

Downtown College Preparatory - Alum Rock High School

San Jose, CA - June 2019

San Jose State University - San Jose, CA - May 2023

Major: Business Admin - Management Info. Sys.

Planned Minor - Computer Science

Skills

Communication skills

I am a confident communicator, and have strong verbal communication skills. I can provide information and interact with professionals and make connections with ease.

Ability to work in teams

I have worked in team environments for over six years: basketball(Co-captain), volleyball(Captain), soccer, softball, Art Club (President), Prom committee. I had the honor of attending the Stanford seeME, Tech Challenge, LISTAS, and SWE2019 conference, as well as visiting and talking to professionals at Google, Facebook, NASA, Airbnb, and Autodesk before the pandemic. I was able to expand my knowledge and work ethic during Smash, a three-year STEM-intensive residential program.

- Personable; work effectively with a wide range of personality
 - Bilingual: efficient in both English and Spanish
 - Highly motivated and dependable in achieving set goals
 - Consistently take the initiative to solve problems
 - Extremely well organized; follow through the last detail
-
