ALI HASAN

Bay Area, CA | (408) 744 -2703 | ali.hasan.312@gmail.com | https://www.linkedin.com/in/ali-hasan-273b831aa/

OBJECTIVE

Seeking an internship for Summer 2023. I'm excited to learn new things and take a positive approach.

EDUCATION

B.S. in Business Management Information Systems   Fall 2024

San José State University, San Jose, CA — GPA: 3.62

Relevant Coursework: Financial Accounting, Managerial Accounting, Fundamentals of Operational Management, Introduction to Python, Computer Tools for Business, Networking and Data Communications, Statistics, Calculus for Business, Public Speaking, Fundamentals of Management Information Systems, Systems Analysis and Design, Fundamentals of Management and Organizational Behavior.
- Experienced in coding using Python
- Deep understanding of networking and data communication
- Learning systems analysis and design
- Broad knowledge of business concepts such as marketing, accounting, and management.

EXPERIENCE

JNCAA Junos Associate Certification   March 2022 - Present

Juniper Networks, Sunnyvale, CA
- Following a six month online course through Juniper Networks
- Learning about networking and data communications, specifically with a focus on configuration tasks, routing, and firewall filters
- Learning the developer roles and key skills of programming Juniper products.

Python Coffee Shop Project

Introduction to Python, San Jose, CA   December 2021
- Collaborated with a group of students to create an interactive coffee shop program
- The app consists of a user interface which users can open and select a drink category. They are then greeted by a chatbox which asks the user about their choices and responds with their prices.
- I was responsible for writing the functions for the "brewed coffee" section.

Content Creator   October 2021 - Present

YouTube & Instagram, Sunnyvale, CA
- Create content on YouTube and Instagram regarding current gaming, music, and sports topics.
- Review social media and YouTube analytics to find ways to boost engagement, find best times to post, and gather best performing content.
- Use Premiere Pro for editing videos and recording voice overs for YouTube content.
- Use Canva Pro for editing posts for Instagram content and YouTube thumbnails.
- Research content weekly and formulate scripts for YouTube videos.

After School Teacher/Camp Counselor   October 2018 - August 2019

City of Sunnyvale, Sunnyvale, CA
- Camp Counselor: Collaborated with employees to create daily agenda, supervised and mentored

25+ students, and was responsible for activities such as games and crafts, and resolved conflict between students.
- After School Teacher: Followed and taught a science and history curriculum to 80+ students, answered student questions regarding topics, and assisted small groups of students in making educational crafts.

Basketball Coach   January 2018 - March 2019
Sunnyvale Youth Basketball League, Sunnyvale, CA
- Analyzed my team in games and planned practice schedules and drills accordingly
- Demonstrated drills, discussed strengths and weaknesses, and provided positive reinforcement during practices
- Created lineups to equally distribute playing time, provided encouragement, and used timeouts to review plays and provide feedback
- Communicated with parents about their kids after the games to provide personalized feedback

SKILLS
Python, Java, Microsoft Office, Creative Cloud, G-Suite, Zoom, WebEx, Canva
