OPERATIONAL

CHALLENGES

CURRENT STATE: A.M. Craft's revenue is limited to walk-in customers.

CHALLENGE: Many working professionals and students nearby lack the flexibility to wait in line and instead choose larger corporations with order-ahead features.

IMPACT: Without an order-ahead system, A.M. Craft is losing potential customers to competitors offering more convenient, time-saving solutions.

SOLUTIONS

DESCRIPTION: Develop a custom mobile app for The A.M. Craft to streamline customer interactions and operations

IMPACT: The custom app will boost operational efficiency, expand customer reach, and strengthen The A.M. Craft's competitive edge while maintaining its personal brand and values.

SOLUTION BENEFITS

TANGIBLE

Increased Sales Volume

Reduced Wait Times

Lower Operations Costs

Customer Retention

INTANGIBLE

Customer Satisfaction

Loyalty

Competitive Edge

Employee Satisfaction

WHY SHOULD YOU CHOOSE OUR PROJECT?

Tailored for A.M. Craft: A custom mobile app that aligns with your brand identity and values, enhancing customer loyalty and strengthening community ties.

Boosts Revenue and Efficiency: Order-ahead functionality and streamlined operations lead to increased order volume, reduced wait times, and lower operational costs.

Sustainable Growth: Short-term gains in revenue and customer satisfaction pave the way for long-term expansion opportunities.

Competitive Edge: Stay ahead of the competition by offering a modern, convenient solution that attracts busy professionals and students.

Proven Feasibility: Backed by comprehensive research, a clear implementation plan, and measurable financial benefits like ROI and NPV.
