## EXPERIENCE

### **Electronic Cleaning Technician, The Right Pod**

July 2022 - Current Day

Being an electronic cleaning technician at TheRightPod gave me the most experience in any area. Clear communication with your team was needed as there were high demands in orders. Understanding various tasks at both being technical and logical; it is needed when operating around apple devices. You need to understand how an airpod works and clean properly.

### **McDonald's Corporation, 1854 Milpitas North Blvd — Food Service Associate**

June 2020 - August 2020

Worked as a Food Service Associate in a McDonald restaurant near my location. Served as the back of the McDonald so I cooked the food and brought it to the servers. Lifted most of the food supplies from pallets and into the freezer and cared for the machineries in the McDonald such as the ice cream machine, coffee machines, replacing oil in frying machines, etc.

### **Cedar Fair Entertainment Company, 4701 Great America Pkwy — Food Service Associate**

June 16th, 2018 - August 18th, 2018

Worked as a Food Service Associate in Great America's Amusement Park. Worked in various areas of food cooking but mostly worked in bringing heavy loads of food supplies into the freezers and dealing with the heavy machines such as replacing oil from the frying machines and taking apart the ice cream machines to clean and putting it back together.

### **Community Service Club, Milpitas High School**

August 2016 - March 2020

Participated in many community service events such as the Bubble Run Marathon (May, 2019) Rock and Roll Marathon (September, 2017), and Turkey Trot (November, 2019). These Community service events allows me to experience hard work and the benefits of helping the community.

### **Milpitas Library, 160 N Main St. — Library Helper**

June 2016 - March 2020

Helped in various areas in the library such as organizing books and cleaning many materials. Communicated with various kinds of people with their questions such as finding the locations of their books. Being a library helper taught me how to deal with many various situations.
