## PROJECTS

**CommUniverCity: Sustainability Fair**, San Jose State University

- Led a team of 4 University students to present about the importance of living an active lifestyle to elementary students, exceeding student expectations of relevance and enjoyment.
- Motivated team by creating a fun environment, increasing productivity.
- Researched innovative ideas and engaging lesson plans which resulted in the highest satisfaction rating.
- Managed deadlines and delegated tasks by initiating ideas and goals to meet client deadlines.
- Presented project process and results through a slideshow.

**Java**, University Preparatory Academy Charter

- Developed Java projects like Tic-Tac-Toe and Connect 4, with a grade average of an A.
- Showcased competence and willingness to learn through continuous experimentation.
- Troubleshoot code errors using test cases, which enhanced critical thinking and problem solving skills.

**Senior Project**, University Preparatory Academy Charter

- Researched and developed skills needed for the transition beyond high school.
- Analyzed financial costs and benefits of higher education, ultimately achieving financial literacy and budgeting skills.
- Explored and exercised techniques and strategies to excel in a professional workplace.
- Conducted mock interviews to bolster peers' confidence in their professional careers.

## EXPERIENCE

**Volunteer Summer Learning Ambassador**, San Jose Public Library

**June 2019 - August 2019**

- Maintained a secure and customer-centric work environment, ensuring the safety and satisfaction of program participants.
- Elevated customer experience through proactive customer service, resulting in increased program sign-ups.
- Facilitated program participation by answering inquiries, and effectively managing program rewards.
- Troubleshoot technical issues within the customer database.
