---

## Experience

*(Incoming) Enterprise Risk Consultant, Ernst & Young*

**Summer 2023**

*Marketing|Fundraising Committee Member, Alpha Kappa Psi*

**September 2021 - Present**

- Led 4 marketing proposals and presentations to raise funds to help alleviate homelessness on the local and national level and to raise money for the team
- Raised 110% of goal over the course of 7 weeks via 15 fundraising campaigns which resulted in \$3,840.96 in profit and exceeded the team's initial goal of \$3,500
- Collaborated and acted as a liaison for the Marketing Committee to promote fundraising events through social media platforms and create creative promotional flyers to capture viewers' attention and engagement
- Provided input and advice on the development of a strategic plan for fundraising campaigns, financial budgets, goals, and timelines to ensure the success of each fundraising event

*Childcare Associate, Calvary Presbyterian Church*

**March 2017 - March 2020**

- Managed and oversaw 20+ adolescents and fortified discipline through an accountability system while maintaining a child-friendly environment to abide by the organization's code of conduct
- Planned multiple interactive and educational activities to educate adolescents ages 6 to 10 years about different religions, cultures, and stimulate an open-minded mindset
- Implemented check-in system by utilizing Arena database to aid members and clients into the facility to supervise their children
- Utilized effective communication and acted as a liaison between parents and supervisor to ensure transparency between both parties

*Personal Tutor, Alamo Elementary School*

**January 2019 - November 2019**

- Led private tutoring sessions to small groups of adolescents ages 8 to 10 years on a weekly basis on a variety of topics like Math, History, Science, and English
- Managed learning assessments and modules every week which resulted in 85% improvement in grades and knowledge on school subjects like Math, History, Science, and English
- Collaborated with students, teachers, and parents to determine students' specific educational needs and requirements to reach their goals
- Provided feedback to students by using positive reinforcement techniques to motivate, encourage, and build confidence in students

*Data Entry Clerk, Calvary Presbyterian Church*

**March 2017 - August 2017**

- Enrolled over 100+ confidential church members' information in alphabetic and numeric order to streamline access for Calvary and provide an efficient way to locate members' information
  - Increased data hygiene by verifying members' information and account data by reviewing, correcting, deleting, or reentering data to provide the most updated information in the database on a weekly basis
  - Consolidated a weekly report about any members' data discrepancies and deficiencies while working with the team to proactively mitigate risks for future data collection efforts
  - Manually sorted and organized paperwork after entering data to ensure information is not compromised or misplaced
-
