PROJECT EXPERIENCE

ReShelf Book Buyback Process, Systems Analysis and Design Course Project, SJSU

September 2026 – Present

- Analyzed stakeholder needs and proposed an information-systems solution to improve Recycle Bookstore's customer book buyback process.
- Translated feedback into user-focused product features and built a functional Replit prototype using Agile methods.

EXPERIENCE

Growth Analytics Lead, Responsible Computing Club, San José State University, San José, CA

September 2026 – Present

- Co-lead a team of four Growth Analytics Ambassadors while analyzing membership, attendance, demographic, retention, and outreach data
- Collaborate with RCC leadership to improve dashboards, address data-quality issues, and translate findings into actionable engagement recommendations.

Recreation Leader, City of San José, San Jose, CA

May 2026 – Present

- Co-led multiple youth programs, recreational activities, and field trips for 60+ children
- Communicate directly with parents regarding participant needs, behavior, safety, and program updates while documenting injuries, behavioral concerns, and safety incidents

Peer Mentor, San Jose Public Library Foundation, San Jose, CA

July 2025 – July 2026

- Conducted progress check-ins with 30+ associates and maintained 40+ case records to support follow-up and reporting.
- Created monthly newsletters and outreach materials for 60+ associates at 4 partner sites, contributing to a 20% increase in program attendance.

Founder, Saba Sips, Bay Area, CA

October 2024 – February 2025

- Managed beverage operations across 5 community events, overseeing budgeting, pricing, inventory, and 100+ sales per event.
- Built Excel financial models to track revenue, calculate profit margins, and refine pricing decisions.

Mentor / Marketing Intern, Tawasaw, San Jose, CA

September 2022 – November 2024

- Coordinated logistics and documentation for 25+ youth programs while mentoring six participants per semester.
- Analyzed engagement metrics and adjusted digital content strategies, increasing Instagram Stories engagement by 300%.
