WORK EXPERIENCE

Daiso Japan Store

Westfield Oakridge Mall
02/2022 - Currently

Floor Member

Working as a retailer at a Daiso can gain a variety of useful skills and transferable abilities that I can utilize in a variety of professions and industries.

- Display and arrange products to attract customers and create an appealing shopping environment.
- Operate cash registers accurately to process transactions.
- Take care of customer needs and ensure they have a satisfying shopping experience on daily basis.
- Communicate effectively with customers, colleagues.
- Help to provide guidance and training new employees.

The Sweet Corner

Vietnam Town
02/2019 - 12/2021

Cashier/Barista

Working as a cashier and barista at a boba shop is a valuable experience that provide an excellent foundation for my potential careers in a number of customer service and hospitality-related industries

- Learn how to prepare and present all the drinks on the menu to the customers.
- Perform in professional, friendly, and attentive interactions with customers.
- Manage a number of activities at the same time.
- Work effectively with other barista, cashiers, and kitchen staff to ensure smooth operations.
