## A bit about me! -

Hello! I'm Javier, but you can call me Javi (pronounced Ha-vee). I'm a third-year transfer student from San Jose City College, majoring in Management Information Systems (MIS). I am a first-generation Mexican American born and raised here in San Jose. It's been a long-standing goal of mine to be at SJSU and to actively participate in campus organizations once I got here.

One organization that particularly stood out to me was Delta Sigma Pi (DSP). I'm drawn to DSP because of its strong foundation in brotherhood and its commitment to professional development. In the business world, connections can be just as important as knowledge, and I believe that becoming a member of DSP would be an incredible opportunity for growth and networking.

Thank you for considering my interest, and I look forward to potentially contributing to the organization!

## EXPERIENCE

### Real Elegance, San Jose CA — Associate/ ASM

June 2019 - May 2022

I started off as an associate for this small company that specializes in party rentals and decor. I did everything from helping around the store, the warehouses, setting up events, waiting at events, picking up and ordering inventory, and customer service.

### Vans, San Jose — Associate

June 2023 - July 2024

I worked as a sales associate engaging in customer service everyday. I worked cash registers, as a salesman, making sure the back stock and store were organized, and would partake in store meetings.
