## Summary

Computer science student with a some experience working across the full-stack of software development. I've built some projects on my own for school and am looking for a role where I can grow and continue to learn from other experienced team members.

## Experience

### Human Resources Representative

U.S. Department of State

May 2022 - Aug 2022 (4 months)

### Community Liaison Officer

U.S. Department of State

May 2022 - Aug 2022 (4 months)

### AEO Brand Ambassador

AMERICAN EAGLE OUTFITTERS INC.

Feb 2020 - Aug 2021 (1 year 7 months)

The Brand Ambassador is responsible for generating sales by providing the customer with an exceptional shopping experience. Brand Ambassadors truly act as the face and voice of the company, build brand recognition, and successfully promote product through the engagement of customers in meaningful ways to increase the company's brand awareness and to generate sales. The Brand Ambassador is expected to role model AEO values and AEO Customer First behaviors in all actions and interactions in order to create a positive Customer First experience. A Brand Ambassador will also analyze sales and revenue to help filter out product.

### Fruit Expert

Edible Arrangements

Dec 2018 - May 2019 (6 months)

A fruit expert prepares/cuts fruit for the arrangements and fruit bar. Along with putting together arrangements with a certain design. A fruit expert would also have to work the cash register and taking customers' orders.
