## OBJECTIVE

Motivated college sophomore with an interest in business and technology, eager to explore and develop foundational skills in entrepreneurship, management information systems, digital marketing, and interpersonal communication. Looking to apply my creativity and passion for learning to new challenges and opportunities.

## EDUCATION

### San Jose State University - San Jose, CA

August 2024 - Present

B.S. Business Administration - Management Information Systems

### Milpitas High School - Milpitas, CA

August 2020 - June 2024

## PROJECTS

### E-Commerce Business Development

- Pioneered a dropshipping business via Shopify along with peers.
- Leveraged social media platforms to advertise select products to various target audiences.

### Discord Study Server

- Collaborated to create a Discord server that aimed to support customers with their homework.
- We programmed bots that would send answers to the user after receiving the link for the question on the server.

## LEADERSHIP EXPERIENCE

### Cricket Captain/Coaching - Milpitas Cricket Coaching and Academy

- Lead a team of under-19 athletes as captain, strategized game plans, and learned to collaborate with fellow players as well as the coaches to build a well-coordinated cricket team.

## COURSEWORK

- Micro/Macro economics, communication studies, legal environments of business, and financial/managerial accounting.

## SKILLS

- MS Excel
- Python
- Digital Marketing
- Video Editing
- Project Management
- Data Analysis
- Communication/Collaboration
