### PROFESSIONAL EXPERIENCE

---

**Santa Maria Automotive**, *Technical Lead*, San Jose, CA

Jun 2025 - Present

- Led a cross-functional team of 6 (backend, frontend, and UX/UI designers) to successfully develop a responsive web-site for Santa Maria Automotive, improving the client's digital presence and business.
- Managed project timelines and deadlines, maintaining weekly updates with the client and translating technical concepts into clear business language.
- Designed key UX/UI components, contributed to frontend development, and reviewed code across all team members to ensure 0 critical errors in the final web application.

**Inclusive World**, *Project Manager & Frontend Developer*, San Jose, CA

Feb 2025 - Aug 2025

- Led and managed a team of 5 developers and UX/UI designers, coordinating tasks and deadlines to ensure smooth product delivery
- Translated Figma designs into fully coded, responsive web pages with high attention to detail, while distributing tasks to my team
- Managed UX/UI design updates and implemented changes based on feedback, ensuring alignment between development and design teams

**Triple A Plumbing**, *Accounting Assistant*, San Jose, CA

Jun 2025 - Jul 2025

- Assisted the accountant with daily tasks, including processing payments, managing equipment expenses, and handling invoice management
- Supported financial record-keeping and ensured accuracy for one of AAA Plumbing Services' key clients
- Helped maintain organized financial documentation to support timely audits and reporting

**Responsible Computing Club**, *Publicity Vice President*, San Jose, CA

Aug 2024 - Present

- Manage social media and outreach efforts, reaching 100+ members and reaching 3000+ accounts on platforms.
- Lead marketing initiatives and create promotional materials to maintain a cohesive club brand.
- Supervised 10+ ambassadors in marketing, web development, and journalism while overseeing project coordination, task delegation, and performance to ensure cohesive brand messaging and timely completion of club initiatives.
- Competed against SJSU registered clubs and acquired a \$300 award for best marketing on the SJSU campus.

### PROJECTS

---

**Codepath x Amazon Design Challenge - PantryFlex**

Jun 2025

- Contributed to UX/UI design for PantryFlex, a platform connecting university food pantries, donors, and grocery stores, helping address food insecurity for up to 1,500 students weekly.
- Conducted user interviews with pantry staff and donors, uncovering key pain points that shaped donation flows and platform features.
- Developed intuitive donation experiences leveraging AmazonFlex-powered pickups, live tracking, and automated pantry management tools.
