CONGRATULATIONS!

Your project has been selected for the SVIC Finalists' Showcase on Tuesday, NOV. 28, 2023! As a Finalist, you are required to have a poster board that showcases your innovation. For more information on the poster board requirements and guidelines, visit <https://www.sjsu.edu/svic/get-involved/guidelines.php>. You are also strongly encouraged to participate in the 90-seconds' Elevator Pitch Contest to be held on NOV. 28, starting at 10:15 AM.

On Nov. 28, you will have to arrive with your poster board by 9 AM PST at the SJSU Student Union Ballroom to set up. The judging will end at 4pm, followed by a reception. You are strongly encouraged to have at least 1 team member by your table at all times to interact with the judges.

Please respond to [svic@sjsu.edu](mailto:svic@sjsu.edu) by 11:59PM tomorrow, Wednesday, NOV 15, to confirm your participation in this event.

Best,

SVIC Team
