EDUCATION

BACHELOR OF SCIENCE • BUSINESS MANAGEMENT INFORMATION SYSTEMS 2026

San Jose State University

PROJECT EXPERIENCE

Financial Statement Analysis Project, SJSU 05/2024

- Conducted a detailed financial analysis of two companies, evaluating key performance indicators such as net profit margin, return on assets, total asset turnover, current ratio, and price/earnings ratio to determine the best investment opportunity.
- Delivered a detailed presentation to my peers, showing the comparative financial performance of the two companies, and persuading the audience to side with data-driven insights to recommend the stronger investment option.

WORK EXPERIENCE

Camp Counselor, Taylor Family Foundation 07/2022 - 07/2024 (Seasonal)

- Provided compassionate support to young campers with celiac disease, leveraging personal experience to create a safe and inclusive environment where children felt understood and valued.
- Encouraged camper involvement in team-building activities, promoting leadership, cooperation, and self-confidence among participants.
- Worked collaboratively with other counselors and camp staff to organize events, resolve conflicts, and maintain a positive camp culture.

Retail Sales Associate, Lululemon 10/2023 - 01/2024

- Delivered exceptional customer service by addressing customer needs, resolving issues promptly, and maintaining a positive store atmosphere.
- Utilized in-depth knowledge of products to create tailored recommendations, driving customer satisfaction and fostering long-term loyalty.
- Trained new team members on store operations and best practices, ensuring they understood workflows, customer service standards, and product knowledge.

SKILLS

- Programming in Python
- Microsoft Excel

ACTIVITIES

President, Persian Student Association, SJSU 07/2024 - Present
