---

## **EXPERIENCE**

### **Finalist for the District Wide Second Annual CTE Innovation Challenge**

**March 2019 – May 2019**

- With my partner, we were the only ones selected from our school to participate in the district wide competition
- Our project was about how to efficiently dispose of waste while also repurposing waste in the community which earned us the second place spot among 10 other schools
- Utilized creative thinking and teamwork skills to manage the project while also utilizing time management as we only had 2 months

### **Esports Player for the SJSU Esports Collegiate Team**

**September 2024 - Present**

- Participated in a Nationwide Collegiate circuit for Super Smash Bros. Ultimate as player under Redbull
- Played as a team against other universities across the country
- Learned to play as a team and led my teammates by coaching and teaching them how to excel
- Placed 2nd overall in the Nationwide circuit

### **Transcend Technology - Business Administrative Assistant**

**June 2025 - August 2025**

- 8 week internship at a CNC Machining company
- Managed inventory on excel, oversaw the machining floor, assisted in completing customer orders
- Created the company quoting sheet and also made it so you can edit the form in a pdf with automatic calculations
