Experience

Currently Enrolled at San Jose State University (2021-current)

BS Business Administration, Management Information Systems

- **Relevant Coursework:**

Introduction to Java, Fundamentals of Management Information Systems (Python), Public Speaking, Systems Analysis and Design, Statistics

- Enrolled in MISA (Management Information Systems Association at SJSU)

Goal is to network and to talk to professionals in the industry.

Crew Member - Cedar Fair Entertainment (May 2018 - Aug 2018)

Tutor - University Preparatory Academy (Aug 2019 - March 2020)

- Developed interpersonal skills involving being friendly while also maintaining professionalism.
- Communicated with students and adults to help students with their work and became a figure of trust for students.
- Talked to parents of kids to tell them how they were doing and what to work on.

Waiter - Kaizen Campbell (Aug 2021 - September 2021)

- Worked in an environment where the majority of people didn't speak English in which I had to show adaptability while managing a high volume of customers.
- Took care of multiple families by taking their orders, checking in with each one, and taking all their payments.

Front of House Team Member - Chick-Fil-A (March 2021 - May 2021)

- Directed car traffic while helping customers.
- Interacted with and managed tempered customers by de-escalating situations by providing helpful suggestions and/or solutions in a cordial manner.

Education

- High School Diploma from University Preparatory Academy - Jun 2021.
- Currently enrolled at San Jose State University.
