

# **Ryan Mitchell Martinez**

## **Objective:**

Seeking an opportunity where my skills and knowledge in electronic hardware will be an asset for the company, also where I can continue to grow and expand on my abilities as well as proficiency in this field.

## **HARDWARE AND SOFTWARE EXPERIENCE**

---

### **Hardware**

- Familiarity with configuring internal and external PC hardware parts.
  - Installed and configured all internal components on my main PC from scratch.
  - Experience troubleshooting internal and external PC peripherals.
  - General knowledge on the compatibility limitations of certain peripherals.
  
- Possess knowledge of general tech vocabulary and purposes of most hardware devices.
  - Familiar with the names and functionalities of major internal PC parts (GPUs, CPUs, SSDs, Hard Drives, RAM sticks, motherboards, fans, etc.)
  - Aware of the different variants of certain electronic peripherals and how they vary from one another.
  - Know about the different types of cables as well as adapters that are often used and how their functionalities and purposes differ.

### **Software**

- Have solid experience with usage of Windows 7 and 10 operating systems.
  - Able to install, uninstall, and reinstall software.
  - Familiarity tinkering with Window's settings. (control panel, device manager, command prompt, task manager etc.)
    - Have general experience with troubleshooting issues (ex. hardware malfunctions, software boot fails, frozen screens, internet connectivity issues, etc.)

## WORK EXPERIENCE

---

- 04/21—08/21    **Stocker**, *Costco Wholesale— Fremont, CA*  
Sorting and stocking warehouse merchandise in a neat, safe, efficient, and timely manner which has helped grow my skills in productivity, communication, active listening, and attention to detail. Also learned to check in on certain inventory through usage of store software.
- 04/18—4/21    **Receiver**, *The Home Depot— Fremont, CA*  
Unloading merchandise as part of a crew which further developed my team effort mentality as well as verbal communication among others. In addition, improving my ability to safely handle goods with efficiency and care.
- 08/16—04/18    **Service Specialist**, *Lucky Supermarket — Fremont, CA*  
Performed various tasks to maintain quality of the store and provide general customer service which helped me build a basic foundation for my skills in the work environment which has allowed me to pursue additional opportunities.
