## PROJECT EXPERIENCE:

**Stages of Design Thinking, SJSU**

Aug 2021 - Dec 2021

- Group project consisting of the 5 Stages of Design Thinking for a startup business (Empathize, Define, Ideate, Prototype, Test)
- Role of Ideation and Prototype: implemented ideas for product and constructed a prototype
- Data modeling/financial analysis to predict COGS, variable costs, fixed costs, profit, cash flow/infusion etc..

**City of Fremont Youth/Family Services Department: Children's Mental Health Awareness** Mar 2021 - May 2021

- Worked with 5+ city officials to conduct a virtual art exhibition for over 150 elementary school kids,
- 1 of the 2 youth advisors provides coordinators with ideas, insight, and perspective for an art exhibition
- Over 20 hours of Google Suite experience facilitating art competitions, working as a judge to analyze multiple forms of artwork

**City of Fremont: Human Services Project for the Homeless through BSA**

Apr 2018 - Aug 2019

- Collaborated with the City of Fremont Human Services Department to create and deliver over 200 hygiene kits for the homeless across 2 major cities
- Attended design discussion with City officials for the MHU (Mobile Hygiene Unit)
- Raised money by crowdfunding (raising over \$1000 myself), door campaigns (\$200), and in-person donations at school (\$100)
- Mentored 12+ scouts on creating hygiene kits for homeless people
- Attend MHU inauguration ceremony led by my City Mayor and featured on local KTVU news in an interview
