Education

Associate Degree in Business Administration, West Valley College, Saratoga, CA, graduated May 2023.

B.S. in Management (Management Information Systems), San Jose State University, San Jose, CA, expected graduation May 2025.

Program coursework

- 40 credits of core business courses, including Business Computer Tools, Accounting, Statistics, Management and Finance.
- 27 units of Programming, Management Information Systems, Data Communications, System Analysis and Design, Entrepreneurship, Honors Practicum in MIS, Digital Innovation, Web Based Computing, Advanced Networking and Data Communications, and Advanced Database Management Systems.

Special Projects

- “Business Programming Team Project”-providing the opportunity to build team and communication skills to effectively collaborate to develop specifications and build a project in Python.
- “Apple Analysis-Global Business”- becoming the role of junior analysts in a top consulting firm, analyzing an existing company.

Work and Volunteer Experience

Salesman and Manager, 2020-present (summers). Help my mother to take the business in Viet Nam. Learning about the money flow within the business and how to buy wholesale products and resell them with profits. Customers were happy about the products they bought from our business.

Volunteer tutor, Apostles Lutheran High School and Middle School, 2021. Teach a variety of math to the students and help to watch kids at the middle school. I also help to organize events at the school. Students were happy because their math grades got higher. Many people said that I am a friendly teacher.

Awards

- Multi-sport achievements during high school.
- A-Honors Student in High School with a GPA of 4.0.
- Honors Student in Community College with a GPA of 3.78.
